This table is the direct answer to the prompt: the top 5 names ranked by simple close-to-close return from X to Y.

Top 5 Performers (Review-Adjusted Ranking)

Company	ISIN	Performance	30-Day Avg. Volume (to Y)	Flag
Netflix	XX0000000028	180.0%	5,118,014	
Adobe	XX0000000036	141.9%	3,080,310	
Nokia	XX0000000044	110.0%	4,819	
NVIDIA	XX0000000051	85.0%	8,220,456	
Lockheed Martin	XX00000000531	69.9%	17,775,176	

This second table excludes tickers flagged by a simple anomaly screen for unusually large one-day price moves. These flags are intended for review, not as definitive proof of bad data.

Price History

The chart below is based on the review-adjusted top 5 so that flagged extreme moves do not compress the scale and reduce readability.
